About CEDAS

Since 1962, CEDAS has been committed to advancing the practice of economic development in Connecticut. The association encourages communication among its wide network of members about economic development issues by providing a forum for discussion and information exchange. To foster economic growth in Connecticut, CEDAS lobbies for legislation necessary to sustain and improve the state's economy. Its reach is furthered through connections with organizations like the Connecticut Department of Community and Economic Development (DECD), AdvanceCT, and Connecticut Main Street Center (CMSC).
